

# Plump Little Pumpkin

Finished Size: 40"

Fabric Yardage			
Fabric	Cutting	Exact amount used	Yardage
A	one 12" x width*	19"	5/8 yd
	one 7" square		
B	one 12" x width*	12"	3/8 yd
C	two 6 1/4" x width*	12 1/2"	3/8 yd
D	two 6 1/4" x width	12 1/2"	3/8 yd
Leaves	Seven 7" square scraps of greens		
* Allow more fabric for fussy cutting			

The pumpkin patches are brimming with wonderful color, brighten your house with this fun pumpkin quilt!

You'll need a **Ten Degree** tool or the **Two Piece Ten Degree** tool.

(The pieces of the Two Piece Ten Degree tool are joined together with the bridge connector for a one piece tool.)

*Fabric note: Yardage is based on 40" wide fabric. Keep wedge cuts as close as possible. More fabric is needed if you cannot fit 18 wedges per strip set.*

Batting	one 42" square	42"	1 1/4 yd
Backing	one 42" square	42"	1 1/4 yd
Binding	six 2 1/2" (bias)	18"	1/2 yd

*Fabric note: Backing Yardage is based on 42" fabric. Piecing the backing is necessary for fabric less than 42".*

Stripes can be great fabric choice. Stripes that are parallel to the selvage radiate from the center (see our sample on page 2).

Stripes that are perpendicular to the selvage create a ring around the circle.

## Cutting Wedges

- Sew the 12" A strip to the two 6 1/4" C strips.
- Align the A/C seam to the 14" line.
- Cut 18 Ten Degree Wedges.
- Sew the 12" B strip to the two 6 1/4" D strips.
- Align the B/D seam to the 14" line.
- Cut 18 Ten Degree Wedges.

Always sew with 1/4" seams!

## Assembly

- Align and pin the wedges together, matching the seam between the background and pumpkin color.
- Sew the wedges into a circle.

Always sew with  
1/4" seams!

## Circle Applique

- Stabilize the center of the circle with a piece of freezer paper.
- Trace the circle outline found on page 3 onto the dull side of a piece of freezer paper.
- Cut along the line.
- Iron the shiny side of the freezer paper to the back side of the fabric A square.
- Trim the fabric approximately a 1/4" from the edge.
- Wrap the fabric edges around the edge of the freezer paper and glue in place with a glue stick.
- Center and pin the applique to the circle.
- Stitch around the applique edge.

## Tendrils

*Couch a cording or hand embroider tendrils around the leaves. Thin bias tape may also be an option.*

## Leaf and Stem Appliques:

### Freezer paper technique:

- Refer to the instructions above to prepare the stem and leaf appliques.
- Arrange them on the quilt in a manner similar to the photograph.
- Stitch around the edge of the applique.

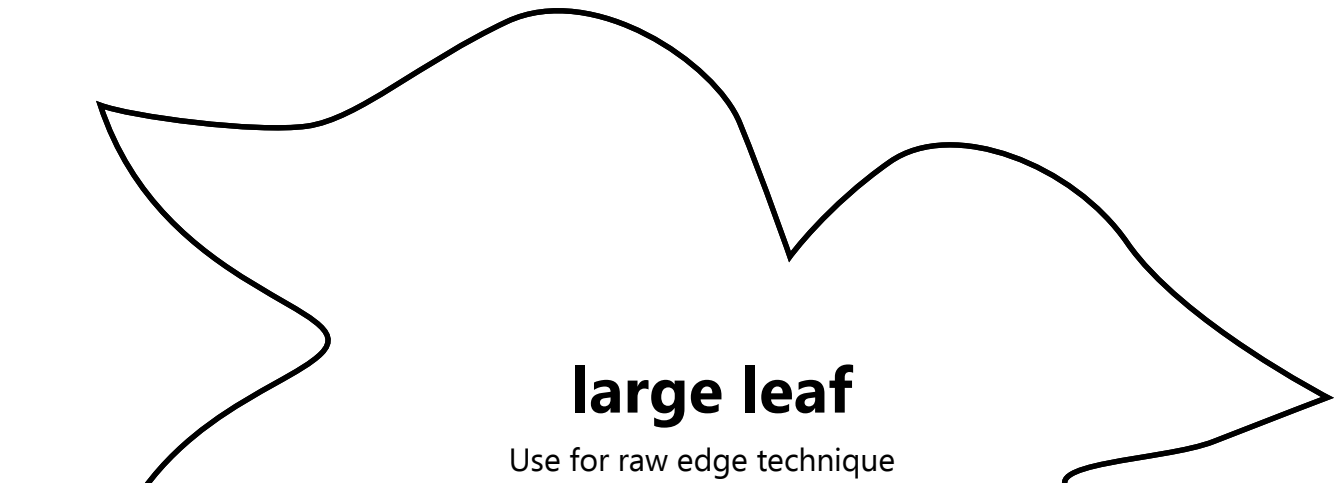

### Raw Edge technique:

- Trace the circle found on page 3 onto a the paper side of fusible web.
- Iron the non-paper side of the fusible to the wrong side of the fabric.
- Cut along the line.
- Arrange them on the quilt in a manner similar to the photograph.
- Iron onto the quilt in position.
- Sew around the applique edge if desired.

Layer, Quilt, Bind and Enjoy!

Instructions for bias binding  
can be found on our website.
